AUCTION: Remember that if you have any wood to donate to the CAWMC auction to send it to Bruce Watt - 1153 Northridge Street - Oshawa, Ontario - L1G 3P3. The auction will take place this fall.

ADVERTISEMENTS: At present all advertisements involving wood are FREE. Please send your 'Want' or 'For Sale' item to the editor. Received a very nice letter from Lenore Miners of Brantford last week. She advises that the FIMTRA, Ontario wood issued for their annual Maple Syrup Festival in 1975 on April 5th is available from

Terry Scuter, Chairman
Elmira Jaycees
Elmira, Ontario

at 25¢ each or less in quantities over 25. 2500 were issued, but because of poor weather, almost half remain. I trust any letter sent to the above address will be received. (This is the most complete address I received.) Also, Mrs. Miners writes that Collingwood has a big Wooden Dollar, the Collingwood and District Numismatic Association of P. O. Box 565, Collingwood, Ontario can supply more information. Richard A. Ford is their president.

I hope to see some of the members at the CNA show being held in Calgary on July 14, 15, and 16, 1975. I have arranged holidays for these three days.

I hope you all have a very enjoyable summer and manage to pick up a few pieces of wood for your collection.

ELECTION: Our Returning Officer has done a tremendous job. Every position is being contested by at least candidates. This is a very healthy situation for any club. It shows a keen interest by our membership. Norm plans on leaving Peterborough July 9th, so please send in your ballots as soon as you receive them so they have a chance of getting to Norm. If for some reason, you do not think they will have time, enclose the ballot envelope, sealed, in another envelope addressed to the editor, and I will turn them over to Norm at the CNA. Please do not enclose anything except the Official Ballot (and the question-re wooden Charter Certificates for the Charter Members). We have not decided on a definite procedure for the Board of Governors yet. I believe that the Past-President (when we have one) will become an ex officio member of the B of G and four members will be elected by the membership at large. Your first vote for a B of G member should be given the number "1" and the second, number "2", etc. to number "5."

Following is the list of nominations as provided by Norm Wells. You may note Norm Wells name in nominating various members. This came about when he was writing to members, seeking their permission to run for an office.

FLASH:

John Curtis has completed his 20 page listing of Canadian wood and it will be mailed in the near future. If you note any errors or omissions, please advise John so that he can issue a supplement. A big THANKS from all of us to you John.

Explanation- re- election platforms: All candidates are members of the CAWMC and will undoubtedly do a fine job if elected. Because of time limitations we are not publishing and biographies or platforms as it would not be fair to those candidates who ^{would} not have time to send information for publishing.
